OBJECTIVE

Java Full Stack Developer with industry experience in designing and developing scalable web and mobile applications using Java, Spring Boot, SQL, and modern frontend technologies. Strong focus on backend logic, API development, and clean, maintainable code.

PROFESSIONAL EXPERIENCE

Java Full Stack Developer   Nov 2025 – Present
JK Global IT Solutions   Chennai, India

- Developing and maintaining enterprise applications using **Java, Spring Boot, JDBC, and MySQL**.
- Implemented RESTful APIs for authentication, business workflows, and data management.
- Built responsive UI components using **HTML, CSS, JavaScript, and React**.
- Integrated frontend and backend modules with optimized database queries and validations.
- Worked on bug fixing, performance optimization, and production issue resolution.

EDUCATION

B.Tech — Computer Science and Business Systems
Sri Manakula Vinayagar Engineering College, Pondicherry   2020 – 2024

TECHNICAL SKILLS

Languages:	Java, SQL, JavaScript
Backend:	Spring Boot, JDBC, REST APIs
Frontend:	HTML, CSS, JavaScript, React
Database:	MySQL, RDBMS
Tools:	Git, GitHub, Postman, VS Code

PROJECTS

Behavioral Biometric Authentication   *Java, Machine Learning Concepts*
Developed a security-focused authentication system using behavioral biometrics such as keystroke dynamics and mouse movement patterns. Improved login security by analyzing user behavior to prevent unauthorized access.

24/7 Health and Care   *Java, MySQL, Android Studio*
Built an Android healthcare application for managing patient records, doctor appointments, and medication reminders. Designed backend logic and MySQL database to ensure reliable data storage and retrieval.

Info View   *Java, MySQL, Android Studio*
An Android application that improves communication between students, teachers, and parents by providing real-time updates on academics, internships, and events with secure database integration.

CERTIFICATIONS

Introduction to Cloud Development with HTML, CSS, and JavaScript   2022

Android App Developer Certification   2023
